

Visiting the museum – Things to know!

- Masks are required.
- We have four check in stations.
 - Station 1:
 - 2 questions are asked, if you answer yes to either question, please do not come into the museum.
 - 1) Do you know anyone or have cared for anyone who has been diagnosed with Covid - 19 in the last 14 days.
 - 2) Have you or a family member shown any cold or flu like symptoms in the last 14 days to include fever, cough, sore throat, difficulty breathing, respiratory illness.
 - Temperature will be taken, visitors under 99.4 will be allowed in.
 - Station 2:
 - We will collect your contact information for contact tracing, this includes your full name, either your email or phone number and your city, state and zip. We only need contact information of one person per family.
 - Station 3:
 - Wash your hands.
 - Station 4:
 - Welcome to the museum.

- Pick up stylus to use on the interactive screens in the museum.
 - Pick up brochure.
 - Learn about layout.
- We welcome 2 visitors through our check in process at a time, once you have completed the check in process you may rejoin your family.
- 30 minute visit time (enforced when we are a maximum # of visitors).
- Maximum # of guests in a family is 6, larger groups are asked to split up.
- Play area and canning area are closed.
